

HELOC No Offer and Decline Overview

In cases where the inquiry does not generate any prequalified offers, one or more **No Offer** or **Decline** code(s) will be issued. The table below indicates the **No Offer** or **Decline** code(s) that may be displayed on the 'Details' page of the application and the corresponding explanation.

Depending on the stage, the LO or borrower may have the option to make changes to loan terms, income, and potentially payoff debt to pre-qualify or qualify.
